

# Neo Valley Festival

## Generative AI Essentials Project

Created by: \_\_\_\_\_

Class: \_\_\_\_\_

Module Code: ITXXXXXFP

---

## Slide 1 — Introduction

### Neo Valley Festival

#### Event Theme

A cozy futuristic farming festival game inspired by pixel-art farming RPG games.

#### Project Objective

To create AI-generated resources for a live shopping mall event using free generative AI tools.

---

## Slide 2 — Project Overview

### Resources Created

- 10 AI-generated images
- 2 AI-generated music tracks
- 1 promotional video
- 1 opening speech
- 1 game prototype

#### Theme Chosen

Neo Valley Festival — A futuristic farming adventure festival.

---

## Slide 3 — AI Tools Used

| Purpose             | AI Tool Used |
|---------------------|--------------|
| Image Generation    | _____        |
| Music Generation    | _____        |
| Video Generation    | _____        |
| Game Prototype      | _____        |
| Presentation Design | _____        |

---

## Slide 4 — Image Generation

### AI Generated Banner Images

#### Prompt Used

(Paste your image prompt here)

#### Parameters

- Style: Pixel Art
- Theme: Futuristic Farming Festival
- Resolution: \_\_\_\_\_

#### Generated Images

(Insert screenshots/images here)

---

## Slide 5 — More Generated Images

### Additional AI Images

#### Prompt Used

(Paste second image prompt here)

#### Generated Results

(Insert screenshots/images here)

---

## Slide 6 — Promotional Banner

### Final Combined Banner

#### Description

The banner combines all generated farming game scenes into a single promotional poster for Neo Valley Festival.

#### Insert Banner Here

(Place banner image)

---

## Slide 7 — AI Music Track 1

### Neo Valley Morning

#### AI Tool Used

---

#### Prompt Used

(Paste music prompt here)

#### Parameters

- Duration: 2 minutes
- Mood: Relaxing
- Style: Cozy farming game music

#### Output

(Insert screenshot/audio preview)

---

## Slide 8 — AI Music Track 2

### Festival Night Lights

#### AI Tool Used

---

### **Prompt Used**

(Paste music prompt here)

### **Parameters**

- Duration: 2 minutes
- Mood: Energetic
- Style: Futuristic festival soundtrack

### **Output**

(Insert screenshot/audio preview)

---

## **Slide 9 — Promotional Video**

### **AI Video Trailer**

#### **AI Tool Used**

---

### **Prompt Used**

(Paste video prompt here)

### **Parameters**

- Duration: 1 minute
- Resolution: 1920x1080
- Style: Pixel-art cinematic trailer

### **Video URL**

(Paste video link here)

### **Screenshots**

(Insert trailer screenshots)

---

## Slide 10 — Opening Speech

### CEO Opening Speech

#### AI Tool Used

---

#### Prompt Used

(Paste speech generation prompt here)

#### Generated Speech

(Paste your speech here)

---

## Slide 11 — Game Prototype

### Neo Valley Festival Game

#### Game Concept

A cozy farming adventure game where players farm crops, complete quests, interact with NPCs, and explore a futuristic shopping mall festival.

#### Features

- Farming system
  - NPC interaction
  - Day/night cycle
  - Coin collection
  - Mini-games
- 

## Slide 12 — Prototype Development

### Game Creation Process

#### Tools Used

- Scratch
- Pixilart
- AI-generated assets

## Assets Created

- Character sprites
- Crops
- Buildings
- Backgrounds
- UI elements

## Screenshots

(Insert Scratch screenshots here)

---

# Slide 13 — Game Demonstration

## Gameplay Screenshots

### Include:

- Character movement
- Farming system
- NPC dialogue
- Inventory system
- Day/night cycle

(Insert gameplay screenshots here)

---

# Slide 14 — Challenges Faced

## Problems & Solutions

| Challenge | Solution |
|-----------|----------|
| _____     | _____    |
| _____     | _____    |
| _____     | _____    |
| _____     | _____    |

---

# Slide 15 — Conclusion

## Project Summary

### What I Learned

- Using AI tools for creative projects
- Game design basics
- AI image generation
- AI music and video creation
- Prototype development

### Final Reflection

This project demonstrated how generative AI can be used to create creative digital experiences efficiently.

---

# Slide 16 — Thank You

## Questions & Answers

Thank you for watching the presentation.

Neo Valley Festival “Where Farming Meets Fun”
